

Desktops

Aspire X1

The sleek and compact Aspire X1 Series is just one-third the size of a traditional PC, allowing it to fit anywhere in your home. This desktop is your essential home PC with first-class applications and components that deliver great performance in a small form factor -- ideal for your everyday computing needs.

Easy expandability

With expandable DDR3 memory, this desktop promises speedy multitasking while using 20% less power. Large storage capacity means you have ample room to keep all your files. And a multi-in-1 card reader and numerous USB ports make it easy to manipulate and share your files.

Neat style

At just one-third the size of a traditional PC, this desktop is easy to set up. A small door at the bottom opens for easy access to USB ports, audio ports, and the multi-in-1 card reader. What's more, the power button lights up in bright blue when turned on, so it looks cool and is easy to find.
